

Your *Le Briefcase* short story guidelines (*this is subject to change based on teacher's preferences and what they have been working on in their class*) are as follows:

- Your short story should be at least 2 paragraphs long.
- It should include the importance of the briefcase, what is in the briefcase (your ideas), a justification as to why, and how your ideas fit into the entire performance's storyline.
- If and when your short story is read, the rest of the dance video should make sense/ be aligned.
